experience

bny mellon | intern
Closely worked with user experience department to
develop comprehensive user experience library for
future applications. Contributed to the restructuring
of a client-facing site with rapid prototyping tools.

thelatest.com | intern
Headed by Jeffrey Hall, former VP of Marketing Ser-
vices at LA Times. Closely worked with mentors to
design, develop, and contribute to marketing deci-
sions during development stages. Contributed to
creation of logo, layout, and fundraising efforts.
